Declaration of Conformity

On the basis of the referenced test report(s), sample(s) of the below product have been found to comply with the harmonized standards and Directives listed on this declaration at the time the tests were carried out. Other standards and Directives may be relevant to the product.

Once all product relevant EMC directives are verified in compliance, the manufacturer may indicate compliance by signing a Declaration of Conformity themselves and applying the mark to product identical to the test sample(s) if the product complies with all relevant EMC Directives requirements.

Verification Number : QXL180805031-V1

NOTE 1: This declaration is part of the full test report(s) and should be read in conjunction with it.

This declaration is for the exclusive use of XQL's Client and is provided pursuant to the agreement between XQL and its Client. XQL's responsibility and liability are limited to the terms and conditions of the agreement. XQL assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this declaration. Only the Client is authorized to copy or distribute this declaration. Any use of the XQL name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by XQL. The observations and test results referenced from this declaration are relevant only to the sample tested. This declaration by itself does not imply that the material, product, or service is or has ever been under a CQL certification program.
