

AS525

Outdoor siren with dual blue beacon

The AS520 Series comprises a range of quality designed sirens that meet today's security and environmental residential requirements. With its attractive housing, the choice of lens colours and the possibility to mount horizontally or vertically the siren can easily fit any place. The housing is UV-proof and high impact resistant, 3-mm polycarbonate and an optional inner cover provide the ultimate protection.

Standard Features

- Attractive high quality shaped housing
- Double piezo sounder with 114 dB @ 1m sound output
- Vertical or horizontal mounting
- Fully potted electronics
- On-board Ni-Cd-battery
- Double strobe flash light
- Selectable comfort LED indication
- Pry-off and opening tamper detection
- Self detection of cable cutting or tampering
- Hold-off polarity selection
- Independently hold-off for both beacon and siren
- A choice of cut off time

AS525

Outdoor siren with dual blue beacon

Specifications

Material	Polycarbonate (3 mm)
Sounder	Double piezo
PCB protection	Fully potted
Tamper & pry-off	Yes
Power supply	10.0 to 14.5 VDC
Standby current (typical)	40 mA (with NiCd battery) 20 mA (without battery)
Operating current (typical)	350 mA
Sound output	114 dB
Frequency	0.5 to 3 kHz
Operating temperature	-25 to +55°C
Flash frequency	50 to 60 flashes/min
Cut-off timer	3 min, 5 min, 10 min, 20 min
Self-activating battery	10.8 V / 280 mAh
Comfort LED	Yes
Dimensions (W x H x D)	210 x 300 x 55 mm
Low voltage detection	Yes
Metal inner cover	Optional
Lead acid battery	Optional

Ordering Information

Part No.	Description
AS525	Self-activating outdoor siren with dual blue beacon
AS523	Dummy outdoor siren with dual blue beacon
AB570	Inner metal cover for outdoor sirens
BS121N	Sealed Lead-Acid Battery - 12V 1.2Ah - VdS approved
BS170	Ni-Cd Battery 10.8 V - 280 mAh
